

MAGNUM IS THE PROTOTYPE OF THE SOFA, ACCORDING TO FLEXFORM. UNCOMPLICATED IN FORM, PERFECTLY PROPORTIONED, AND FINELY CRAFTED IN EVERY WAY. A LINEAR SECTIONAL, THE MAGNUM SOFA HAS A SOLID-WOOD STRUCTURE WITH A LAYER OF POLYURETHANE PADDING COVERED WITH A PROTECTIVE LAMINATED FABRIC. MAGNUM'S GENEROUSLY-FILLED GOOSE-DOWN SEAT AND SEAT BACK CUSHIONS ARE DESIGNED TO OFFER OPTIMAL COMFORT. THE SOFA'S TRANSPARENT METHACRYLATE FEET LEND IT A LOOK OF LIGHTNESS. THE REASSURING, FAMILIAR STYLE OF THE MAGNUM SOFA YIELDS THE TASK OF STYLISTIC IDENTITY TO THE EXPRESSIVENESS OF THE FABRIC OR LEATHER CHOSEN AS UPHOLSTERY. ITS VERSATILITY MAKES IT EQUALLY STUNNING IN SOLID COLOR OR PATTERNED FABRICS.
